Statement/Principles

The policy outlines the commitment of the staff and Governors to promote equality. This involves tackling the barriers which could lead to unequal opportunities and outcomes and the celebration of diversity within the school community.

We believe that equality at our school should permeate all aspects of school life and is the responsibility of every member of the school and wider community. Every member of the school community should feel safe, secure, valued and of equal worth. At Chilton Community Primary School equality is a key principle for treating all people irrespective of gender/sex, ethnicity/race, disability, religious beliefs/faith tradition, sexual orientation, gender re-assignment, pregnancy and maternity and age (the groups identified as having protected characteristics in the Single Equalities Act 2010).

This policy has been drawn up as a result of discussion within a working party made up of representatives of teaching and support staff, pupils, parents, and governors and has been shared with the whole school community.

Monitoring and Review

The staff member responsible for co-ordinating the monitoring and evaluation is the Headteacher, who will be responsible for:

- Providing updates on equalities legislation and the school's responsibilities in this regard;
- Working closely with the governor responsible for this area.

- Parental involvement
- Participation in extra-curricular and extended school activities
- Staff recruitment and retention

Policy Commitments

Promoting Equality: Curriculum

We aim to provide all our pupils with the opportunity to succeed. To achieve this, we will ensure:

- Curriculum planning reflects a commitment to equality;
- The curriculum prepares pupils for life in a diverse society and uses opportunities to reflect the background and experience of pupils and families in the school but we also recognise that our school lacks diversity and therefore we aim to broaden children's exposure to other cultures and experiences wherever possible;
- There will be opportunities in the curriculum to explore concepts and issues related to identity and equality;
- The promotion of attitudes and values that celebrate and respect diversity and challenge discriminatory behaviour and language wherever it occurs;
- The use of images and materials which positively reflect a range of cultures, identities and lifestyles.

Promoting Equality: Achievement

There is a consistently high expectation of all pupils regardless of age, gender, ethnicity, religion or belief, disability and sexual orientation. To secure the best possible outcomes we recognise that:

- Adults in the school will be expected to provide good, positive role models in their approach to all issues relating to equality of opportunity;
- It is important to identify the particular needs of individuals and groups within the school and to use targeted interventions to narrow gaps in progress, achievement and attainment;
- A range of teaching methods is used throughout the school to ensure that effective learning takes place at all stages for all pupils.
- All pupils are actively encouraged to engage fully in their own learning.

Promoting Equality: The ethos and culture of the school

- At Chilton Community Primary School, we are aware that those involved in the leadership of the school community are instrumental in demonstrating mutual respect between all members of the school community;
- We strive to achieve a feeling of openness and tolerance which welcomes everyone to the school;
- The children are encouraged to greet visitors to the school with friendliness and respect;
- Reasonable adjustments will be made to ensure access for pupils, staff and visitors (including parents) with disabilities (this not only includes physical access, but takes account wider access to school information and activities);
- Provision is made to cater for the cultural, moral and spiritual needs of all children through planning of assemblies, classroom based and off-site activities;
- Pupils' views are actively encouraged and respected. Pupils are given an effective voice for example, through advocacy, the School Council, pupil perception surveys and there are regular opportunities to engage with pupils about their learning and the life of the school;

- Positive role models are used throughout the school to ensure that different groups of pupils feel welcomed and included.

Promoting Equality: Staff Recruitment and Professional Development

- All posts are advertised formally and open to the widest pool of applicants;
- All those involved in recruitment and selection are trained and aware of what they should do avoid discrimination to ensure equality of opportunity.
- Steps are taken to encourage people from under-represented groups to apply for positions at all levels of the school;
- Access to opportunities for professional development is monitored on equality grounds;
- Equalities policy and practice is covered in all staff inductions;
- All supply staff and contractors are made aware of the equalities policy and practice;
- Employment policy and procedures are reviewed regularly to check conformity with legislation and the impact of policies are kept under regular review.

Promoting Equality: Countering and Challenging Harassment and Bullying

- The school counters and challenges all types of discriminatory behaviour and this is made clear to staff, pupils, parents and governors;
- The school has a clear, agreed procedure for dealing with prejudice related bullying incidents and has a nominated member of staff responsible for recording and monitoring incidents;
- The school reports to Governors, parents and LA on an annual basis the number of prejudice related incidents recorded in the school.
