### 1. Aims

The aims of relationships and sex education (RSE) at our school are to:

- Provide a framework in which sensitive discussions can take place
- Prepare pupils for puberty, and give them an understanding of sexual development and the importance of health and hygiene
- Help pupils develop feelings of self-respect, confidence and empathy
- Create a positive culture around issues of sexuality and relationships
- Teach pupils the correct vocabulary to describe themselves, others and their bodies
- Support pupils’ emotional wellbeing and their mental health

At Chilton Primary School pupils are taught SRE in conjunction with the school values: Respect, Believe and Achieve.

### 2. Statutory requirements

As a maintained primary school, we must provide relationships education to all pupils as per section 34 of the Children and Social work act 2017.

However, we are not required to provide sex education but we do need to teach the elements of sex education contained in the science curriculum.

In teaching RSE, we must have regard to guidance issued by the secretary of state as outlined in section 403 of the Education Act 1996.

At Chilton Primary School, we teach RSE as set out in this policy.

### **3. Policy development**

This policy has been developed in consultation with staff, pupils and parents. The consultation and policy development process involved the following steps:

1. Review – a member of staff or working group pulled together all relevant information including relevant national and local guidance
2. Staff consultation – all school staff were given the opportunity to look at the policy and make recommendations
3. Parent/stakeholder consultation – parents and any interested parties were invited to attend a meeting about the policy
4. Pupil consultation – we investigated what exactly pupils want from their RSE
5. Ratification – once amendments were made, the policy was shared with governors and ratified

### **4. Definition**

RSE is about the emotional, social and cultural development of pupils, and involves learning about relationships, healthy lifestyles, diversity and personal identity. RSE involves a combination of sharing information, and exploring issues and values. RSE is not about the promotion of sexual activity.

### **5. Curriculum**

Our curriculum is set out as per Appendix 1 but we may need to adapt it as and when necessary.

We have developed the curriculum in consultation with parents, pupils and staff, taking into account the age, needs and feelings of pupils. If pupils ask questions outside the scope of this policy, teachers will respond in an appropriate manner so they are fully informed and don't seek answers online.

Primary sex education will focus on:

- Preparing boys and girls for the changes that adolescence brings
- How a baby is conceived and born

For more information about our curriculum, see our curriculum map in Appendix 1.

### **6. Delivery of RSE**

Jigsaw PSHE is a whole school approach taught in all year groups at Chilton Community Primary School, with all year groups working on the same theme (Puzzle) at the same time.

The table below gives the learning theme of each of the six Puzzles that are taught across the school with puzzle 6, 'Changing Me', delivering the RSE content.

<b>Term</b>	<b>Puzzle (Unit)</b>	<b>Content</b>
<b>Autumn 1:</b>	Being Me in My World	Includes understanding my own identity and how I fit well in the class, school and global community. Jigsaw Charter established.
<b>Autumn 2:</b>	Celebrating Difference	Includes anti-bullying (cyber and homophobic bullying included) and understanding
<b>Spring 1:</b>	Dreams and Goals	Includes goal-setting, aspirations, who do I want to become and what would I like to do for work and to contribute to society
<b>Spring 2:</b>	Healthy Me	Includes drugs and alcohol education, self-esteem and confidence as well as healthy lifestyle choices, sleep, nutrition, rest and exercise
<b>Summer 1:</b>	Relationships	Includes understanding friendship, family and other relationships, conflict resolution and communication skills, bereavement and loss
<b>Summer 2:</b>	Changing Me	Includes Relationships and Sex Education in the context of coping positively with change

As well as this, RSE is taught in Upper Key Stage 2 in the following ways:

- within the science curriculum, (biological aspects)
- some aspects may also be included in religious education (RE)

These areas of learning are taught within the context of family life taking care to ensure that there is no stigmatisation of children based on their home circumstances (families can include single parent families, LGBT parents, families headed by grandparents, adoptive parents, foster parents/carers amongst other structures) along with reflecting sensitively that some children may have a different structure of support around them (for example: looked after children or young carers).

## **7. Roles and responsibilities**

### **7.1 The governing board**

The governing board will hold the headteacher to account for the implementation of this policy.

### **7.2 The headteacher**

The headteacher is responsible for ensuring that RSE is taught consistently across the school.

### **7.3 Staff**

Staff are responsible for:

- Delivering RSE in a sensitive way
- Modelling positive attitudes to RSE
- Monitoring progress
- Responding to the needs of individual pupils

Staff do not have the right to opt out of teaching RSE. Staff who have concerns about teaching RSE are encouraged to discuss this with the headteacher.

## **7.4 Pupils**

Pupils are expected to engage fully in RSE and, when discussing issues related to RSE, treat others with respect and sensitivity.

## **8. Parents' right to withdraw**

Parents' have the right to withdraw their children from the non-statutory components of RSE. Requests for withdrawal should be put in writing and addressed to the headteacher. A copy of withdrawal requests will be placed in the pupil's educational record. The headteacher will discuss the request with parents and take appropriate action. Parents do not have the right to withdraw their children from the statutory elements of RSE.

Please read the document 'Relationship Education Overview' on the school website for full details of the statutory elements of relationship and health education. Please also see the document entitled '3 – 11 PSHE progression' for detailed information about the content of the PSHE curriculum, including details of the vocabulary used when teaching RSE.

Alternative work will be given to pupils who are withdrawn from RSE.

## **9. Training**

Staff are trained on the delivery of the RSE resources. The headteacher may also invite visitors from outside the school, such as school nurses or sexual health professionals, to provide support and training to staff teaching RSE.

## **10. Monitoring arrangements**

The delivery of RSE is monitored by the headteacher and the subject leader in a number of ways, such as:

- learning walks
- pupil perceptions of PSHE/RSE lessons
- Looking through PSHE books

Pupils' development in RSE is monitored by class teachers as part of our internal assessment systems.

This policy will be reviewed by the headteacher annually. At every review, the policy will be approved by the governing body.

Online relationships	<ul style="list-style-type: none"> <li>• That people sometimes behave differently online, including by pretending to be someone they are not</li> <li>• That the same principles apply to online relationships as to face-to face relationships, including the importance of respect for others online including when we are anonymous</li> <li>• The rules and principles for keeping safe online, how to recognise risks, harmful content and contact, and how to report them</li> <li>• How to critically consider their online friendships and sources of information including awareness of the risks associated with people they have never met</li> <li>• How information and data is shared and used online</li> </ul>

TOPIC	PUPILS SHOULD KNOW
Being safe	<ul style="list-style-type: none"> <li>• What sorts of boundaries are appropriate in friendships with peers and others (including in a digital context)</li> <li>• About the concept of privacy and the implications of it for both children and adults; including that it is not always right to keep secrets if they relate to being safe</li> <li>• That each person's body belongs to them, and the differences between appropriate and inappropriate or unsafe physical, and other, contact</li> <li>• How to respond safely and appropriately to adults they may encounter (in all contexts, including online) whom they do not know</li> <li>• How to recognise and report feelings of being unsafe or feeling bad about any adult</li> <li>• How to ask for advice or help for themselves or others, and to keep trying until they are heard</li> <li>• How to report concerns or abuse, and the vocabulary and confidence needed to do so</li> <li>• Where to get advice e.g. family, school and/or other sources</li> </ul>

Dear Parent/Carer

## Relationship and Sex Education

Using the Jigsaw Scheme and in line with Relationships and Sex Education (RSE) Guidance, your child will this term receive relationship and sex education (RSE) lessons.

We aim to provide children with age appropriate information about their bodies and relationships in line with the National Curriculum. Lessons will include learning about the changes as humans develop to old age, these lessons are compulsory. In addition, we will also be teaching sex education and pupils will learn about the changes experienced in puberty.

The session in school may reinforce what you are already doing at home. For further information please see our RSE Policy on our website. If you would like to discuss the lessons, or would like to view any of the materials please speak to your child's class teacher.

Yours faithfully

Mrs L Carr  
Headteacher
