

January 2024

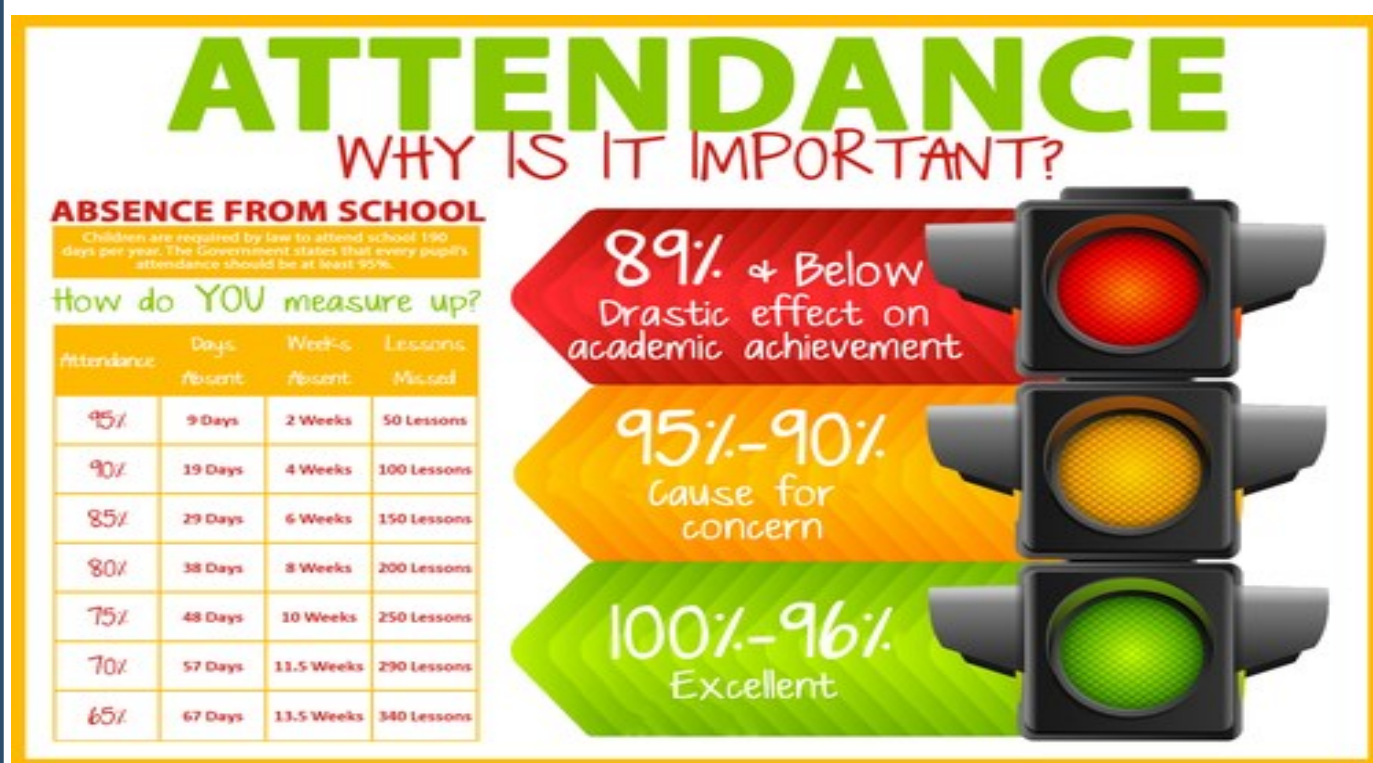

A Message from Mrs Carr

Welcome back to school and a belated Happy New Year.

We are very much enjoying coming back to school and are very impressed that our children are making such an effort to get to school on time each day!

Attendance Matters

We are trying to improve our attendance here at Chilton Primary School, we know that it is so important for children to arrive at school, on time and ready to learn.

After School Club

Butterfly Childcare will be running the after school club from Monday the 22nd of January. The club will start at the end of the school day and finish at 6pm. Children will be able to have a snack/ sandwich included in the fee. Please call 07740 853604. You will not be able to book this through the school office or Arbor App. When collecting your child from Butterfly, please ring the door bell on the pedestrian gate at the rear of the carpark - near the bins.

After School Activities

We currently have 3 after school activities!

In Year 1 and 2 we have Story/Film and Craft Club on a Wednesday

In Year 3 and 4 we have Multi Sports Club on a Thursday

In Year 6 we have Current Affairs on a Monday

When collecting your children from these clubs, please wait at the pedestrian gate at the rear of the carpark. DO NOT ring the door bell - this is only for Butterfly Childcare.

Staffing

We are pleased to be joined by Mrs Wilcox in the Reception class this term. Mrs Wilcox is a trainee teacher and will be observing Mrs Shaw and teaching alongside her. This is a great opportunity for the children to benefit from having an extra adult in the classroom.

We also have 2 new office staff joining us after the half term in February. They are both lovely and very much looking forward to working here with us and the children.

PE days 2024

Some PE days are changing in the new term:

Reception	Friday
Year 1	Wednesday
Year 2	Tuesday
Year 3	Monday
Year 4	Thursday
Year 5	Friday
Year 6	Wednesday

Swimming

Please remember that children cannot wear ear piercings for swimming and must have these removed before the lesson. Please think carefully about when to have your child's ears pierced.

Clothing and PE Kit

We try to take the children outside each day, even in rain or snow, so please make sure that your child brings a coat to school every day. On PE days, please send your child to school with black tracksuit trousers, or leggings, a white t-shirt and a blue school jumper (no hoodies).

Year 3

Our unit textiles and collage. We used pens and water to look at pigments in dye.

Assembly!

We were very lucky to have Mrs Bailey from Abbots Hall Primary School come and do an assembly with her gorgeous dog Darcy. We loved it!

Reception so far in 2024

In maths we are starting to focus on numbers 6, 7, 8, 9 and 10. This week the children have practised their careful counting.

We have also made name rockets, where we practised our cutting, sticking and letter formation skills.

What a great start to the year!

Chocolate Tombola

The School Council did an amazing job of counting the money that was raised from our chocolate tombola.

We were so impressed that we have managed to raise **£106.00** so far, we would like to sell the remaining tickets after school to parents next week.

Well done!

Year 4

Year 4 have been studying teeth and the digestion system in science this half term. We even had the opportunity to look at the skulls and teeth of animals to see the similarities and differences.

NEW!
